ABOUT

Goutier is a French DJ from the Paris area, based in Barcelona. Her deep and soulful sets move between house, deep house and minimal.

Goutier takes listeners and dancers on a mind-expanding trip, with a deep, groove-driven sound shaped by years of house and minimal influences. Her sets blend warm basslines with hypnotic rhythms. She also curates the mixtape series Goutier selects.

Since 2021 she has played more than 110 dates in Barcelona, France, Berlin and Brussels, from Macarena Club, Bridge_48 and Tunnel to festivals such as Bridge Festival, APK Festival and Progress Outdoor Festival. She has been featured on Kiosk Radio, SheSaidSo Spain x dublab.es and Bonjour Sunshine. She works in English, French and Spanish.
